Subject: Re: Interagency Coordination: AllenCo Re-opening

Hello all,

We would like to thank everyone for their participation and proactive discussions at our last Interagency Coordination Meeting regarding Oil/Gas. We are currently up from 29 to 34 on the participant list.

LACDPH is asking DOGGR, SCAQMD, and all agencies to please reply back, to all, if there are any planned or unplanned AllenCo activities between now and 9/05/18. We are asking so that LACDPH may be on site since we have Health Officer authority and responsibility for the health and safety of the community as well we report to the LA County Board of Supervisors. Our Interagency Coordination Partnership is paramount as it relates to any critical matters, small and large, that may arise.

Recap:

- LA City reported out on 3 ordinance that went to the City Council on Tuesday 8/21/18
 - Annual inspection program linked to AB617
 - Terminating land use authority--tied into inactive oil districts
 - Restructuring oil/gas administration City wide
- DOGGR reported AllenCo still pending response with 14 items to be addressed in Startup Plan as well upgrade work still being completed with tanks and testing of pipelines
 - Projected that AllenCo may return Startup Plan to DOGGR in 1-2 weeks
 - Hydro testing being completed at site
 - DOGGR staff have been at site 3 times per week checking on things
- Possible projections of AllenCo reopening October or later
- All agencies continue to agree with Open House strategy and provide needed information at the community level---one voice approach---Projected in late September
 - Agencies to send FAQs to LACDPH for compilation
 - DMH sent 3 documentations for coping with stress and retraumatizing incidents--Agencies agreed to be added to the RYLAN Plan in support of readiness
 - CalEPA will share all agencies collected information on their website
- Meeting with Stand LA on 8/16/18:
 - Discussed with DOGGR that AllenCo Startup Plan still pending 14 items to address and testing of tanks and pipelines being performed
 - City of LA discussed petroleum ordinances that were going to City Council as Consent Items for 8/21/18
 - Discussed AllenCo Open House and the group was thankful for what the agencies were planning
 - Stand LA expressed disappointed as why agencies can not just stop all oil pumping in the area--the group expressed that all agencies send letters of concern to the Los Angeles Arch Diocese--LACDPH reported that a letter had been sent--the group requested that other agencies and the City of LA Councilman's District #1 send a letter
- Follow-up for next meeting:
 - Agencies tally # of current complaints about AllenCo reported and send to group (LACDPH will tally any complaints to be shared)
 - SCAQMD provide a report from stationary monitors and mobile monitors including graphs
 - City of LA to send out information on 3 ordinance that went to City Council including any media coverage links
 - All agencies to send FAQs and LACDPH will tally and send out to group
- Agencies agree to change biweekly Wednesday meetings to 9:00 a.m. to 10:30 a.m.
- Next meeting is 9/05/18 from 9:00 a.m. to 10:30 a.m.---Meeting request to be provided soon.

Thank you.
